SELF-HAUL CONDITIONS

The right of a Construction Contractor to self-haul from a *Construction & Demolition project* is subject to the following conditions. A non-refundable self-haul permit fee is applicable to each project. (*You cannot serve solely as a hauler.*)

- **<u>You must be</u>:**
  *** A State licensed Construction Contractor.**
  *** Performing Construction and Demolition work on the job site.**
  *** Performing the self-haul.**
  *** Self-hauling recyclables or Construction & Demolition material. You can haul these same materials for any Construction Contractor at the same job site.**

- **<u>Prior to any self-haul, the following certificates and permits must be active for the project</u>:**
  *** City business registration certificate.**
  *** Building and demolition permit.**
  *** Self-hauling permit.**

- **<u>Prior to any self-haul, the following fees and deposits must be paid for the project</u>:**
  *** Construction and Demolition application fee.**
  *** Security deposit.**
  *** Self-haul fee.**

- **<u>The self-hauling equipment must be</u>:**
  *** Owned or leased by the self-hauler.**
  *** Clearly marked with the self-hauler's company name, address, and phone number.**
  *** Operated by the self-hauler or self-hauler's employees at all times during any self-haul.**
  *** Insured by the self-hauler.**

Failure to meet the self-haul conditions may result in fines, citations, or any other remedies authorized under the municipal code and revocation of the ability to self-haul recyclables or Construction & Demolition materials in the City of San Bernardino.
