The City of San Bernardino is seeking Proposals from qualified Consultant/Contractor teams to provide structural engineering services to design replacement shoring for the Mt. Vernon Avenue Overcrossing at the BNSF Yards (Bridge No. 54C-0066) and construction services to remove the existing shoring and install replacement temporary shoring. Posted on the City web site is a letter inviting Proposals, a copy of the RFP with attachments, a list of Consultants initially invited to Propose, this Must Read document and back up material to the RFP,

If you have questions, please contact us by e-mail, phone or fax. We can only respond in writing to written inquiries. Please note that inquiries received after Tuesday, March 19, 2013 may not receive a response due to the short time frame. Responses to inquiries will be posted on the web site and shared with all prospective Proposers. If a correction or change is warranted, an Addendum to the RFP will be posted. Proposers are responsible for checking the web site before submitting. Receipt of all Addenda must be acknowledged as indicated in the RFP. If you are not on the list of initially invited Consultants and wish to be notified when updates are posted, please send an e-mail to Mike Grubbs at grubbs_mi@sbcity.org requesting that you be added to the e-mail notification list for this RFP.

Proposals must be received no later than **March 27, 2013 by 4:00 PM.**

Thank you for your interest in this project.
