

**PROPOSER'S CERTIFICATION AND ACKNOWLEDGMENT OF
ADDENDA FOR A
DESIGN AND BUILD PROJECT TO REMOVE EXISTING SHORING
AND INSTALL REPLACEMENT TEMPORARY SHORING FOR MOUNT
VERNON AVENUE OVERCROSSING AT THE BNSF YARDS.
BRIDGE NO. 54C-0066**

The undersigned hereby certifies that I am an officer of the firm submitting the attached Proposal and that I am authorized to submit said Proposal on behalf of my firm. I hereby bind my Firm to this Proposal and state the following (if submitting a Proposal):

This offer shall remain valid for a minimum of 180 days from the RFP close date; and

All terms and conditions as set forth in this RFP shall apply to this offer; and

In signing this offer, I warrant that all certifications and documents requested herein are attached and properly completed and signed; and

I certify that my Firm and the subcontractors identified in the Proposal are all experienced and qualified to perform this work with full consideration given to the complexities of Federal Aid processing and these complexities have been fully considered in the preparation of my Firm's Proposal; and

I certify that I have received all addenda as indicated below and have incorporated the addenda in the attached Proposal; and

I certify that, if offered an Agreement for the proposed work, my Firm will execute the City's standard consultant agreement, a draft copy of which is attached hereto.
