Issue 19

Public Services Department Newsletter for City of San Bernardino Residents Spring 2006

City of San Bernardino - Public Services Department  
300 North "D" Street - 4th Floor • San Bernardino, CA 92418 • (909) 384-5335  
Visit our web page at [www.sbcity.org/ps](http://www.sbcity.org/ps)

## Public Services Fair

**Don't miss your chance to find out what happens behind the scenes and talk to staff from Refuse & Recycling, Streets, Fleet, and Environmental Projects. Attend the first Public Services Fair on Wednesday, May 24, 2006, 10:00am - 2:00pm in the Court Street Square parking lot next to City Hall, 300 N. "D" Street.**

### The Public Services Fair will feature:

- Mercury Thermometer exchange for City residents, quantities limited
- Equipment displays
- Educational exhibits featuring recycling, storm water pollution prevention, and more!
- Special appearances by recycling Program Mascots, Oil Can Bernie and Trash Cat Masterson!
- Energy saving Compact Fluorescent bulbs for \$1.00, quantities limited
- Bring old cellphones and ink jet cartridges for recycling

**Lots Of Great Giveaways!**

**Visit all the booths for a chance to Win...**

**A Backyard Compost Bin or Set of Four General Admission Tickets to an Inland Empire 66ers Game.**

## City Containers Get New Look

Residents will now receive all black containers with different color lids for refuse, recycling, and green waste collection. The black container with a black lid is for refuse, the blue lid is for recycling and the green lid is for green waste. Each lid is labeled with instructions explaining what should go into each container. Check out the Container Guidelines and "What Goes Where" list of items located on the last page of this newsletter.

**Black Lid**

**Blue Lid**

**Green Lid**

**Check out the RECYCLING & REUSE GUIDE now located in the Yellow Pages under "Recycling."**

# Public Services Residential Programs

For County Clean Up Days in April & October please call 1-800-722-8004

## ***Backyard Compost Bins Available***

Composting can take place in a pile or bin, but needs at least 3 X 3 X 3 feet in size to enable internal temperatures to become high enough to activate the decomposition process. You can compost yard and garden wastes, food scraps, and woody material. Compost bins are available to City of San Bernardino residents for \$30.00. To purchase a bin visit the Public Services Department located on the 4th floor of City Hall, 300 N. "D" Street.

## ***Why Compost?***

Compost is one of nature's best mulches and soil amendments, and you can use it instead of commercial fertilizers. Using compost improves soil structure, texture, and aeration and increases the soil's water-holding capacity. Compost loosens clay soils and helps sandy soils retain water.

## ***Recycle Used Oil & Filters***

**Free** reusable 15 quart used oil collection containers and used oil filter containers are available to City of San Bernardino residents. Containers are available from the Public Services Department on the 4th floor of City Hall, 300 N. "D" Street. Proof of residency is required; bring your water bill and picture ID. Limit of one oil collection and filter container per household.

***Never mix used oil with other automotive fluids, such as antifreeze or transmission fluid. Never dump oil down the drain, in the trash, or on the ground!***

**Curbside Service:** Used oil and filters can be conveniently recycled curbside. To schedule curbside service, call the City of San Bernardino Refuse Division at 384-5335. This service is only available to City of San Bernardino residents.

**Collection Centers:** Certified collection centers also accept used oil & filters. For a listing of certified centers in San Bernardino, call the City's used oil hotline, 1-888-OIL-DROP. Program is grant funded by the California Integrated Waste Management Board.

## ***Tire Disposal***

Do you have used or waste tires cluttering up your garage? To dispose of whole tires, a residential customer may place one used tire beside their refuse/recycling containers for collection. Do not place tires inside any of your containers. Limit of one used tire per collection day, with a maximum of four tires every three months.

## ***Sharps Disposal Program***

City ordinance prohibits the disposal of sharps in refuse/recycling containers. The Sharps Disposal Program includes free disposal containers, a drop off/exchange site, and pick up service for homebound residents. Free collection containers are available from the Public Services Department located on the 4th floor of City Hall, 300 N. "D" Street. Program available to City of San Bernardino residents only. Proof of residency is required. For more information call 384-5335.

Subject to availability and may include fertilizers, paint, household cleaners and polishes, automotive products, pool chemicals and currently registered pesticides.

**For more information about household hazardous waste or the reuse program collection locations, days, hours, and applicable fees: call 382-5401 or 1-800-OILY-CAT. To report illegal dumping of hazardous waste call 1-800-33-TOXIC.**

## Recycle Cell Phones & Inkjet Cartridges

Are old cell phones and empty ink cartridges accumulating at home? Don't throw them away, the Public Services Department has postage paid envelopes free to residents to mail those items back to a recycler. The envelopes are available at the Public Services Department located on the 4th floor of City Hall, 300 N. "D" Street.

# What Goes Where?

## BLUE CONTAINER-RECYCLABLES

Place loose recyclables in container-Do not bag.

- Empty aerosol cans
- Empty aluminum cans
- Empty steel cans
- Aluminum foil
- Metal-only clothes hangers
- Empty glass bottles
- Empty plastic bottles-jugs-tubs-buckets
- Cereal boxes (remove liners, place in black container)

## GREEN CONTAINER-YARD TRIMMINGS

Place a few sheets of newspaper at the bottom of the container to prevent green waste from sticking. To remove flocking from Christmas trees, spray with water from a garden hose. Do not bag green waste.

- Grass & weeds
- Leaves
- Twigs & small branches (up to 6 inches in diameter)

- Cactus
- Sawdust (only a 1/4 of container)
- Unflocked Christmas trees (cut into 3 foot sections)

## BLACK CONTAINER-REFUSE

To reduce odor & prevent trash from littering neighborhood, place in large sealed trash bags.

- Cat litter & animal waste
- Tissues & bathroom waste
- Cigarette butts
- Disposable diapers
- Paper napkins & towels
- Paper cups & plates
- Incandescent Light bulbs
- Palm fronds & yucca (cut to fit)

- Broken toys & tools
- Carbon paper
- Mirrors
- Old shoes
- Rags & sponges
- Old hoses
- Tarps, pool covers & liners

## Guidelines for Container Use

Set containers at curbside by 6 a.m. on your scheduled service day. Late set outs are subject to a \$25.00 service charge.

- Place your containers 18 inches apart, in the street at curbside, near the corner of your driveway.
- Containers must be at least three (3) feet from any obstruction: parked car, mailbox, fence, lamppost, etc.
- Containers can not be overloaded.
- Do not place concrete, rocks or dirt in your curbside containers.
- Container lids must be closed for proper pick up.
- Containers must be removed from the curb after your scheduled service day and stored out of public view. (Municipal Code 8.24.210)

Curbside collection and 3-yard bins are available for a fee to residents for recyclable and non-recyclable excess and bulky materials. Customer Service Staff will be happy to assist you. Call 384-5335. Office hours: Monday-Thursday, 7:30 am to 5:30pm & Friday, 7:30 am to 4:30 pm.
