

**CITY OF SAN BERNARDINO MUNICIPAL WATER DEPARTMENT**  
**300 North "D" Street**  
**San Bernardino, CA 92418**

**RULE AND REGULATION NO. 3**  
**CURB COCK**

Every service connection installed by the Water Department shall be equipped with a curb cock or a wheel valve on the inlet side of the meter. Such valve or curb cock is intended for the exclusive use of the Water Department in controlling the water supply through the service connection pipe. If the curb cock or wheel valve is damaged by the customer's use to an extent requiring replacement, the cost of such replacement shall be the customer's responsibility.
