Come and join us at the Ruben Campos Community Center for our Hot Topics during the lunch hour. This forum will be open to the general public. This month's Hot Topic will discuss the “Center for Employment Training” (CET). The key points of this Hot Topic will be how to begin a new career in 6 months, the four courses that CET offers, financial assistance for those who qualify, and job placement after graduation. Bring your sack lunch a friend, and join in on the discussion.
