## **City of San Bernardino, Parks & Recreation 2014 Summer Community Events Guide**

Lights, Camera, Action! From toddlers, to teenagers, the working professional and those wise in years – this summer, the City of San Bernardino Parks & Recreation Department is dishing out some activities that are sure to delight. Set to kick off Memorial Weekend and through early November, there are swim classes, lunch programs, festivals, themed movie nights in the park and baseball games; there is something for everyone.

At Parks & Recreation, we know the diversity of our community, which is why we offer several different programs, locations, days and times. We also know the importance of safety and promoting wellness through physical activity and nutritional education.

“The Parks & Recreation Department is doing fantastic work,” said Mayor R. Carey Davis. “I am proud of the work and impact our centers and staff members are producing for our residents. Our purpose for our service is just that – the community. And I invite all members to attend one or all of these events.”

As children are out from school and the heat is blaring, we welcome you, the community, to join us this summer to continue to strengthen San Bernardino. We believe these fun, family friendly events will provide enjoyment and relief in times of heat and economic challenges.

Almost all programs are free to an affordable amount. For specifics, please call the department at (909)384-5233, visit a local community center or stop by Parks & Recreation: 201 North E. Street, Suite 301, San Bernardino, CA 92401. For more detailed information, visit [www.sbcity.org](http://www.sbcity.org), stop by Parks & Recreation, tune in to Channel 3 or listen to this podcast: <http://bit.ly/1m6aZmg>.
