Release Date: 08-25-14

Issuing Employee: Sgt. Cervantes

Type of Case: DUI Saturation Patrol

Report # 14-00100383

DUI Saturation Patrol

The San Bernardino Police Department conducted a DUI Saturation Patrol from 6:00 p.m. to 2:00 a.m. for the Summer Mobilization period on August 23, 2014. During this event 7 vehicles were stopped, 2 people were given field sobriety tests, 1 of which was arrested for driving under the influence of alcohol. 4 citations were issued for misc. traffic violations and 1 vehicles was impounded.

This program is an effort to reduce the number of persons killed and injured in alcohol involved crashes. DUI saturation patrols are conducted to educate the public on the dangers of impaired driving while identifying offenders and getting them off of the street.

All too often, members of our community are senselessly injured or killed on local roadways by impaired drivers. The San Bernardino Police Department believes motorists can be deterred from drinking and driving through the education and enforcement activities conducted during DUI saturation patrols.

Our objective is to send a clear message to those who are considering driving a motor vehicle after consuming alcohol and/or drugs – *Drive Sober or Get Pulled Over*. The public is encouraged to help keep roadways safe. *Report Drunk Drivers, Call 911.*

Funding for this program was provided by a grant from the California Office of Traffic Safety, through the National Highway Traffic Safety Administration.
