

Mayor R. Carey Davis

Thank you for subscribing!

In an effort to more effectively engage the community, my office has adopted the use of an electronic newsletter. Over the last month, we have continued to pursue the fulfillment of the goals listed in our recovery plan which are listed below.

Please feel free to share with your family and friends, and encourage them to remain updated on what's going on in San Bernardino.

This newsletter will be distributed on a monthly basis.

The City Council adopted Priority Goals which serve as the guideposts for all decisions made for the implementation of San Bernardino's recovery plan. These emerged from the opinions voiced by residents who attended community

<p>PUBLIC SAFETY</p> <p>Ensure safe, clean and attractive neighborhoods and business areas.</p>	<p>CITY OF SAN BERNARDINO</p> <p>PRIORITY GOALS</p> 	<p>QUALITY OF LIFE, INFRASTRUCTURE & HOUSING</p> <p>Provide well-planned and sustainable infrastructure.</p>	<p>engagement meetings in 2015, and refined by our strategic planning core team.</p>
<p>EDUCATION & WORKFORCE DEVELOPMENT</p> <p>Optimize educational and job training opportunities for residents of all ages.</p>		<p>COMMUNITY ENGAGEMENT & PUBLIC RELATIONS</p> <p>Consistently and effectively engage residents and businesses.</p>	<p><i>All information and developments discussed will be aligned with these goals to ensure the establishment of a sustainable San Bernardino for our community.</i></p>
<p>BUSINESS DEVELOPMENT & JOB CREATION</p> <p>Create a vibrant and sustainable economy.</p> <p> Mayor Carey Davis</p>	<p>FISCAL SUSTAINABILITY, EFFICIENCY & PRODUCTIVITY</p> <p>Maximize organizational productivity and efficiency.</p> <p> @SBMAYORDAVIS</p>	<p>GOVERNANCE & CHARTER</p> <p>Adhere to open and Ethical governmental practices.</p> <p> @SBMAYORDAVIS</p>	<hr style="background-color: black; height: 10px; width: 100%;"/>

QUALITY OF LIFE

Along with establishing the Quality of Life Team, designated for the improvement of Quality of Life in the City, our efforts range from improving specific parks, community areas, and neighborhoods. The following are some examples of work that is being done to improve the Quality of Life for San Bernardino residents and stakeholders.

Quality of Life Team

The QOL team presented a 60 day status update to Council in February.

They've cleared approximately 173 tons of waste across 70 different sites in San Bernardino.

The team is steadily working toward the goal of strategizing the maintenance of SB public right of ways. Soon SB students will have clear walkways on their way to and from school; residents will not worry about road hazards and health hazards caused by illegal dumping. We look forward to more results as the QOL team continues their hard work.

Click on the title of this section to access the document shared at the Council meeting.

TESTIMONIAL

DOUGLAS MOTORCYCLES

Art Guilfoil

Owner of Douglas Motorcycles

- Business is ranked Top 5 in nation for sales and service
- Located in San Bernardino for over 50 years

Issue: Area adjacent to Douglas Motorcycles was being used as a dumping area. This was leading to break-ins, impacting their business.

Solution: Quality of Life team responded, cleared trash and SBPD followed up.

Motorcycles

SB Access Center Provides Relief

San Bernardino Staff and our Access Center partnered to provide relief to a resident named Linda.

Linda, a retired nurse from Patton State Hospital, uses a wheel chair and is often bed ridden due to ongoing health issues. She experienced trespassers in her backyard who not only set up camp, but also stole her electricity. San Bernardino's Homeless Access Center was able to provide Linda with 7 nights in a local hotel to rest while they sorted out the situation.

Mercy House, a non-profit organization dedicated to providing housing and comprehensive supportive services, manages the daily operations at The Access Center. The Access Center is located in the Butler Building at Seccombe Lake Park and serves as an access point to vital services, resources, and emergency needs to individuals and families in the City. This highlights the daily efforts we are making to establish relationships that will make a difference for the residents of SB.

I salute City staff and Mercy House for their continued service to those in need in our community.

Follow SBPD on Facebook for more updates: [San Bernardino Police Department](#)

COMMUNITY ENGAGEMENT

Over the last month, I have been able to meet with residents from across the City during February Evening with the Mayor, as well as at February's Neighborhood Association Council and Community Builders meetings. I look forward to continuing to engage the community through the upcoming events and platforms detailed below.

Coffee With A Cop

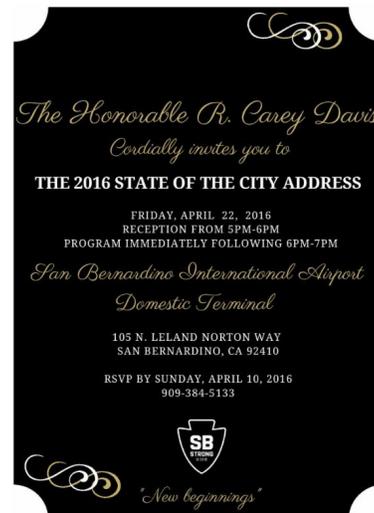

San Bernardino Police Department has been engaging San Bernardino residents in weekly discussions led by resident concerns. Events are each Wednesday at 9:00 am. Details as follows:

- 1st Wed: Vicky's-502 S. Waterman
- 2nd Wed: Denny's - 702E. Highland
- 3rd Wed: Farmer Boys -1776 Kendall
- 4th Wed: Mike's Burgers- 940 W. Highland

2016 State of the City

I am excited to invite San Bernardino residents to my second State of the City Address, occurring April 22, 2016.

The event will be held at the San Bernardino International Airport, reception starting at 5:00 pm, program at 6:00 pm.

Driven by a desire to support the December 2nd victims, Indian Springs Principal Alan Kay proposed a project to manufacturing teacher Ron Delmonte. From there, Mr. Delmonte and his students created a design for SB Strong pins.

Designed and manufactured by students, the pins can be purchased directly from Indian Springs, with proceeds going to the victims of the December 2nd Tragedy.

I am proud of the leadership and innovation displayed by Indian Springs students and staff.

Management of SB Soccer Complex

The San Bernardino Soccer Complex is now under the administration and management of the Elmore Sports Group. We celebrated their soft launch in January.

In the short period of time since transition, Elmore Sports Group has begun a million dollar redevelopment of the facility and has hosted home matches for the newly formed soccer team, the Southern California Sports Team.

Elmore Sports Group will provide consistent and improved operations and maintenance of the complex, as well as boost the use and functionality of the site.

I look forward to many more tournaments and community events being held there, offering our community a chance to be united in a family-friendly environment.

FISCAL SUSTAINABILITY

Promise Zone Application

Last year, President Obama announced a Promise Zone Initiative that would allocate resources to designated communities in an effort to assist communities in creating jobs and increasing opportunities.

Over the past several months, in partnership with the County, the City of San Bernardino and a consortium of fourteen partners have joined to apply for The Promise Zone designation. Through a collective impact framework, we will pursue six specific goals for our region:

- 1) Reduce violent crime
 - 2) Improve educational opportunities
 - 3) Access and create jobs
 - 4) Increase economic activity
 - 5) Improve housing opportunities
 - 6) Improve health access and outcomes
-

With a successful application, we have the opportunity to access:

- 1) An Intensive Federal Partnership- federal support in implementing our goals
 - 2) Resources- priority and access to federal investments that further our goals
 - 3) National Service- five full-time AmeriCorps VISTA members to support our strategic plan
 - 4) Accountability for Goal Achievement- help tracking progress and evaluating results
-

TRANSITION TO BURRTEC

Effective April 1, 2016, Burrtec will be

providing refuse services to SB residents.

With this decision, we will add approximately \$2.8 million per year in franchise fees and \$5 million in franchise fees upfront.

This marks a significant step closer toward becoming more economically stable, and more efficient services offered to residents.

We are maximizing the City's organizational productivity and quality of service by streamlining the workforce and the limited resources currently available to us. While doing so, we are also unlocking revenue sources that will be valuable in boosting the economy, subsequently creating jobs, and making San Bernardino the attractive and sustainable city that we all want it to be.

ATTENTION ALL REFUSE CUSTOMERS

Effective April 1st, 2016 Burrtec will provide all refuse services for City of San Bernardino residents and businesses. The City of San Bernardino and the San Bernardino Municipal Water Department are working with Burrtec to ensure the smoothest service transition possible. Please remember refuse services provided through March 31st, 2016 will reflect on your SBMWD April or May billing statement.

Please contact Customer Service at (909) 384-5095 should you have questions regarding refuse services or billing relating to refuse service provided through March 31, 2016.

For questions regarding refuse service after April 1st, 2016 please contact Burrtec at (909) 804-4222.

BUSINESS DEVELOPMENT

We are proud to have such committed economic development staff who are dedicated to bringing business to San Bernardino. Because of the efforts of San Bernardino staff, we have had immense success with the entrance of businesses like Mommie Helen's and Jimmy John's. Below are some businesses that will soon join the SB community as well.

JCPenney

We are proud to welcome JCPenney to the Inland Center Mall, where they will join Sears and Macy's as the mall's anchor stores. Their projected opening is in October 2016.

JCPenney

Aldi

Aldi is a German discount grocery retailer that is opening two locations in San Bernardino. They hosted their Grand Opening Celebration on the 24th of March at their first location: 625 E. Hospitality Lane

I extend a warm welcome to Aldi & JCPenney and wish them great success in their endeavors.

Special Mentions...

Welcome
Councilmember
Richard!

Councilmember Richard was seated at the first Council Meeting of March 2016. I congratulate her on her victory and look forward to collaborating with her.

Councilmember Bessine L. Richard

PIERPONT ELEMENTARY

Kindergartners at Pierpont Elementary School saved and collected bottles full of money to donate to the City's GoFundMe for the victims of the December 2nd Tragedy. They raised \$355.18!

Assistant Chief Eric McBride, made a trip to Ventura to personally thank the students for their efforts. He was able to greet the students, read them a story, and give each one an official SB Police patch.

We send a special thank you to Mrs. Robinson's and Mrs. Novstrup's classes at Pierpont.

Five-Star Quality Rated
Centers for Medicare and Medicaid Services

Legacy Post-Acute Rehab Center

Legacy is the first rehabilitation center in San Bernardino to receive a five-star quality rating from CMS.

I applaud Legacy and thank them for their devotion to the rehabilitation of our residents.

Welcome to the SB Team!

I extend a sincere welcome to the new additions to the San Bernardino Police Department.
