Thank you for subscribing!

In an effort to more effectively engage the community, my office has adopted the use of an electronic newsletter. I look forward to updating our community on the developments and milestones that we achieve as we continue to move through the recovery process.

Please feel free to share with your family and friends, and encourage them to remain updated on what's going on in San Bernardino.

This newsletter will be distributed on a monthly basis.

QUALITY OF LIFE

In December 2015, the City Council adopted a resolution presented by my office that established a Quality of Life Team

This team is tasked with:

- Developing a comprehensive plan for targeted clean-ups
- In partnership with the San Bernardino City Unified School District, developing a plan to ensure that routes most traveled by students are free of illegally dumped materials to provide a walking area free of debris, trash, and other obstacles not belonging in the walkway.
- Developing a street by street assessment method to rate cleanliness of streets, parks, and city owned properties
- Developing a plan to maximize the enforcement of illegal dumping of waste laws.

The Team has already made a significant impact around the City. Once fully staffed, we look forward to seeing the restored focus on maintaining a clean city.

City Manager Update

Mr. Mark Scott began his tenure as our new City Manager on Monday February 8, 2016.

Mr. Scott has served in the city management profession for more than 35 years. He describes himself as an accessible manager who enjoys participating in the craft of community-building and the role of facilitating partnerships. He will move to SB to immerse himself in our community.

I appreciate the dedicated service of Chief Jarrod Burguan while he served as the Interim City Manager. He is returning to his role as Police Chief and will remain a valuable member of our management team.

We extend a warm welcome to Mr. Scott, and look forward to benefiting from his wealth of knowledge and experience from managing cities.

Long Range Property Management Plan

I am happy to report that the Long Range Property Management Plan has been filed, and was approved by the California Department of Finance in December 2015.

I commend City Management, as well as Urban Futures, the Successor Agency Team and the Oversight Board for their work and commitment toward fulfilling this goal.

Evening With the Mayor!

Evening with the Mayor is a casual event at a local business where I get to meet with San Bernardino residents and have a discussion about their concerns and the recovery plan.

**The next event is taking place on
February 25th.**

Location: The Mexico Cafe | 5:00-6:00 P.M.

2012-2013 Single Audit 2013-2014 Single Audit

I am happy to report that the single audit reports for the 2012-2013 and 2013-2014 fiscal years have been completed. 2012-13 was completed by the independent Auditor Macias Gini & O'Connell. 2013-14 was completed by The Pun Group.

This marks a step in a positive direction as we work to improve our City Government.

TRANSPARENCY

In October 5, 2015, I brought an item to the council to direct the City Manager to implement the OpenGov platform within 30 days. This platform promotes transparency by allowing the public to view San Bernardino's revenues and expenditures. The council formally directed the City Manager to implement the platform, and it is now fully operational. Residents can access the following:

- *Approved Budgets*
- *Audited Expenditures and Revenues*
- *Payments Issued to Vendors*
- *Unaudited Expenditures and Revenues*
