

San Bernardino Public Library to Host Inland Empire Composers Concert

The Feldheim Central Library will be hosting a free concert on Saturday, January 28, 2017 at 3:00 PM. This is the first concert in a series by the Inland Empire Composers. The series will include four more concerts, each held at a different location.

The Inland Empire Composers Concert Series seeks to connect composers of the Inland Empire with musicians and audiences in the Inland Empire. Concerts are family-friendly, free, and open to the general public. They feature new compositions by serious composers in our area.

There will be two distinct ensembles: The Manzanita Septet and the San Andreas Chamber Orchestra. Featured composers are Robert Winokur, IECCS Director at Crafton Hills College; William Beuche, IECCS Assistant Director at San Bernardino Valley College; Abraham Fabella from All Saints Episcopal in Riverside; Tim Labor from UC Riverside; and Allen Menton from Cal State San Bernardino.

This free concert is sponsored by the Friends of the San Bernardino Public Library and will take place in the Bing Wong Auditorium of the Feldheim Central Library at 555 West 6th Street in San Bernardino.
